Re: Teleport Communications America, LLC Access Services Tariff

Dear Ms. Van Gerpen:

Enclosed for filing is the Access Services Tariff for Teleport Communications America, LLC (TCAL). This tariff replaces the Access Services Tariff of TC Systems, Inc. in its entirety. This filing simply changes the name from TC Systems Inc. to Teleport Communications America, LLC; everything else remains the same.

The pages of Teleport Communications America, LLC's Tariff are enclosed and listed as attachments on the following pages.

AT&T requests a filing date of October 1, 2013 and an effective date of November 1, 2013.

Please contact me if you have any questions or concerns at (303) 299-5703.

Sincerely,

A handwritten signature in black ink, appearing to read "Jon Blessing". The signature is stylized with large, sweeping loops.
