

**RESPONSE OF TELEPORT COMMUNICATIONS AMERICA, LLC (“TCAL”)
TO DATA REQUEST ISSUED BY THE
SOUTH DAKOTA PUBLIC UTILITIES COMMISSION STAFF**

- 1-1) Please provide the tariff page from the section “Price List,” page number “Original page 2.”**

RESPONSE:

Please find attached the tariff page from the section “Price List,” page number “Original Page 2.” When I scanned the tariff to send to you, the pages stuck together and did not produce this page.

- 1-2) Please add page headers to the two checklist sheets like the page headers on the rest of the tariff.**

RESPONSE:

Please note that the two checklist pages are part of the cover letter and not part of the tariff. Per discussions with Staff, these pages do not need to include the same headers as the tariff pages.
