8-1. Refer to the Amended Exhibit A-1 filed on 7-15-16. The Yankton exchange was included in all previous exchange lists, was the Yankton exchange inadvertently left off of the list of non-rural exchanges to be covered? If it was intentionally removed from the list, explain why.

RESPONSE: Due to an administrative error while creating a PDF version of the Company's Proposed South Dakota Non Rural Wire Center list (Amended Exhibit A-1), the last row of information was not included. Attached is the correct version of Wire Center list, which includes the Yankton Rate Center (Short Switch **YNTNSDCO**).
