IMPORTANT INFORMATION concerning Lifeline wireless service

Lifeline is a government assistance program. **Only one Lifeline service is available per household.** A violation of the one per household limitation constitutes a violation of the Federal Communication Commissions rules and will result in your de-enrollment from the program. **Your household is not permitted to receive multiple Lifeline benefits whether they be from one or multiple companies.** This includes wireline and wireless service. **Lifeline is a non-transferable benefit.** You may not transfer your benefit to any other person. **You must activate your service. You must use your phone to continue to receive service.** Should you not use your service for 60 days you will be de-enrolled. **Lifeline is a Federal benefit.** Willingly making false statements to obtain the benefit can result in fines, imprisonment, de-enrollment or being barred from the program. **Proof of eligibility is required and only eligible customers may enroll.** Proof may consist of eligible program card or statement benefits.
