These updated/revised Shapefiles (in a zipped file format) should be viewed as replacements to the previously provided Shapefiles submitted for the identified study areas and should be referenced as "Attachment A – Supplement 1."

In addition, you will find enclosed for filing the following additional affidavits: Affidavit of Citizens Telecommunications Company of Minnesota (for Study Area 361123); Affidavit of Farmers Mutual Telephone Company (for Study Area 361389); Affidavit of Fort Randall Telephone Company (for Study Area 391660); and Affidavit of Venture Communications Cooperative and Western Telephone Company (for Study Areas 391680 and 391688, respectively). All of these additional affidavits are presented in one PDF as a supplement to Attachment B filed with SDTA's Joint Petition dated May 17th. Specifically, in regards to the Affidavit of Citizens Telecommunications Company of Minnesota it is a corrected affidavit (the initial affidavit filed for such company was not notarized).

A copy of this letter and the enclosed documents have been provided to the other parties noted on the Commission's service list for the Docket.

Sincerely,

Richard D. Coit
