Re: DOCKET 13-059 In the Matter of the Request of TrioTel Communications
For Certification Regarding its Use of Federal Universal Service Support

Dear Ms. Van Gerpen:

Enclosed for filing in the above referenced Docket is a copy of TrioTel Communications' "Form 481 Reports" for the McCook study area (Exhibit C-1 and Confidential Exhibit C-1) and Tri-County study area (Exhibit C-2 and Confidential Exhibit C-2). These Reports have been filed with USAC and will be filed with the FCC post-government shut down, pursuant to 47 C.F.R. § 54.313. These Form 481 Reports are supplied to the South Dakota Public Utilities Commission in accord with the provisions of 47 C.F.R. §54.313(i), specifically, and should be considered and treated as a replacement to Exhibit C to TrioTel Communications' "Annual ETC Certification" request filed earlier in this docket.

Please note that some of the information included in the completed Form 481 Reports is confidential and proprietary. The confidential information has been redacted from the Form 481 Reports and is being filed simultaneously but separately as confidential filings, not available to the public.

Sincerely yours,
