Act Now to Keep Your Telephone Service Discounts

DATE

Dear Lifeline and/or TAP Recipient:

You are currently enrolled in the Federal Lifeline Program (Lifeline) and/or the Minnesota Telephone Assistance Program (TAP) which provide financial assistance to low-income customers. To continue receiving discounts on your telephone service Federal law requires that you verify your eligibility.

To keep your Lifeline/TAP discounts

1. Complete and sign the enclosed verification form
2. Attach a copy or copies of documents under either:
Part 1) showing you participate in or receive benefits from a qualifying program(s)
OR
Part 2) proving your total household income is at or below 135% of the Federal Poverty Guidelines
3. Send by mail, email, or fax, the completed verification form and copies of your documents to:

Farmers Mutual Telephone Company
301 2nd St. S.
Bellingham, MN 56212-1000

Or by email to:
email farmers@farmerstel.net
Or by fax to:
320-568-2200

If you do not return a completed and signed form with required documentation by DATE, you will no longer receive discounts. The amount you pay for telephone service will increase. You may only re-enroll in Lifeline within the next year with Farmers Mutual Telephone Company, if you provide proof of eligibility.

Your privacy is important to us. Per federal law, we are required to properly dispose of public assistance and financial documents after they have been reviewed.

If you have any questions, please contact Farmers Mutual Telephone Company at 320-568-2105 or 1-800-692-0021.

For more information regarding the state TAP and Lifeline requirements, please contact the South Dakota Public Utilities Commission at (605) 773-3201.

Thank you for taking the time to complete the verification process.

③ Certification of Eligibility and Information Release

By signing below, I certify under penalty of perjury that I understand and agree to all of the following:

- I participate in a qualifying federal program or meet the income qualification.
- I have provided documentation of eligibility.
- I acknowledge that Lifeline is a federal benefit and that it is non-transferable.
- I acknowledge that a household is eligible to receive only one Lifeline service and to the best of my knowledge, my household is not already receiving a Lifeline service. A household is defined for Lifeline purposes as any group of individuals who live together at the same address and share income and expenses. A household is not permitted to receive Lifeline benefits from multiple providers and violation would result in de-enrollment and potential prosecution by the United States government.
- The information contained in this certification form is true and correct to the best of my knowledge. I understand that providing false information can be punished by fine or imprisonment or removal from the program.
- I will inform the company within 30 days if for any reason I no longer satisfy the criteria for receiving Lifeline support. Failure to notify the company may result in penalties.
- If I move to a new address, I will provide that new address to the company within 30 days.
- If I provided a temporary address, I will verify with my telephone provider the temporary residential address every 90 days.
- I may be required to re-certify continued eligibility at any time and failure to do so will result in removal from the program.

I consent to have my name, telephone number, and address provided to the Universal Service Administrative Company (USAC) and/or its agents, and to any state and federal agency, for the purpose of verifying that I qualify for the Lifeline program and that I do not receive more than one Lifeline benefit.

On February 20, 2013, representatives from Farmers Mutual and Federated Telephone, joined more than 70 MTA members in St. Paul to educate lawmakers on issues affecting rural telcos. This event gives lawmakers the opportunity to learn from the experts how their decisions impact the telecommunications industry.

The event started on Tuesday afternoon with an issues briefing for members. The MTA staff focused on SF 584, the MTA's bill to re-write telecom regulation. The House version of the bill will be filed shortly. This bill reduces telecom regulation and creates a more level playing field for telephone service providers. In addition to the MTA legislation, members received briefings on the most current 911 bills and other related legislation.

On Wednesday, members met with legislators on telecom issues and were able to secure five additional co-authors in the Senate and eight in the House. "This is such an important time for our folks to be in St. Paul," commented MTA President/CEO Brent Christensen, "our success would not be possible if it weren't for the great relationships our members have with their elected officials."

FEDERAL SURCHARGES TO DECREASE EFFECTIVE APRIL 1, 2013

Effective April 1, 2013, the amount of the Federal Universal Service Charge (FUSC) appearing on your bill each month will change as a result of a decrease in the Federal Communications Commission's (FCC's) universal service contribution factor from 16.1% to 15.5%. The new FUSC amount is calculated by multiplying the FCC's universal service contribution factor against your interstate access service charges. The federal universal service fund program is designed to help keep local telephone service rates affordable for all customers, in all areas of the United States.

Phone Discount for Low Income

Lifeline

There are several programs that provide assistance with paying your phone bill. The Lifeline program is federally funded and will provide a credit each month on your phone bill. To be eligible, you must be enrolled in one of the following public assistance programs or have an income at or below 135% of the federal poverty guidelines to be eligible:

- Medicaid/Medical Assistance
- Food Support (Food Stamps)
- Minnesota Family Investment Program (MFIP)
- Supplemental Security Income (SSI)
- Federal Public Housing Assistance
- Low Income Home Energy Assistance (LIHEAP)

If you qualify for a Lifeline credit, you will also qualify for the Telephone Assistance Plan (TAP). This program offers a monthly discount on your phone bill, as well.

For more information or an application, please contact our office by dialing 611 from your home phone or you can find the office numbers on the back page of this newsletter.

SEASONS ARE CHANGING & RATES WILL BE CHANGING TOO

As the seasons are changing, we welcome a change in our weather and hopefully a decrease in snow. Unfortunately, we must inform you of another change coming our way soon in the form of an increase in your local service rate. All members of Farmers Mutual Telephone Company and Federated Telephone Cooperative should have received a notification of a rate increase effective with your May 2013 billing. This rate increase is a direct result of the Federal Communications Commission (FCC) order requiring local phone service providers charge a minimum monthly rate for local phone service in order to avoid forfeiture of Universal Service dollars, which are essential in providing communication services to our rural, high cost, and sparsely populated service areas. This price floor is expected to increase further in 2014. This rate increase will also affect our bundle pricing effective with your May 2013 billing. Please see the enclosed insert for more details. If you have any questions or concerns, please feel free to contact any of our offices.

FEDERATED CABLE TV RATE NOTICE:

Over the past few months, Federated Telephone's channel lineup has changed due to negotiations on new contracts with cable TV programmers. Programmers own the channels and maintain all of the programming on their channel. Some examples of programmers include NBC, FOX, Disney, Turner, etc. These programmers are always demanding larger and larger increases in the fees they charge cable providers, such as Federated, to broadcast their channel in our lineup. In communicating with programmers, there really isn't an option to negotiate with them. We are either forced to pay the rate they demand or remove their channel. With the channels that have been removed, the fee increases they were requesting were excessive, which forced the removal of the channels.

Unless the programmers who own the recently removed channels change their mind and reduce their excessive fees, none of these channels will be returning to our Federated Telephone channel lineup. Federated Telephone acts in the best interest of you, our members, when negotiating with programmers for reasonable and fair rates. We don't like channels being removed from our lineup anymore than our viewers do, but it is necessary to protect our members from programmer's extreme rate demands.

Even with the removal of these channels, the overall programming fees have increased in the past year. Rate changes can be found on the insert and will be implemented with the May 2013 billing. Federated's portion of your cable TV service is NOT increasing; only the cost of programming is increasing which is paid directly to the programmer.

LIFELINE & TELEPHONE ASSISTANCE PLAN

There are several programs that provide assistance with paying your phone bill. The Lifeline program is federally funded and will provide a credit each month on your phone bill. To be eligible, you must be enrolled in one of the following public assistance programs or have an income at or below 135% of the federal poverty guidelines to be eligible.

Eligible Public Assistance Programs:

- Medicaid/Medical Assistance
- Food Support (Food Stamps)
- Minnesota Family Investment Program (MFIP)
- Supplemental Security Income (SSI)
- Federal Public Housing Assistance
- Low Income Home Energy Assistance (LIHEAP)

If you qualify for a Lifeline credit, you will also qualify for the Telephone Assistance Plan (TAP). This program also offers a monthly discount on your phone bill.

For more information on a Lifeline/TAP Application, please contact our office.
