Dear Lifeline Customer,

Earlier this year, the Federal Communications Commission (FCC) released an Order and new rules comprehensively reforming the Lifeline Assistance Program. This program currently provides you, as a Lifeline Assistance subscriber, a monthly discount of \$9.25 on the charges for your residential voice telephone service. One of the new requirements adopted by the FCC is that we annually obtain from each of our existing Lifeline subscribers a completed re-certification form verifying continued eligibility for Lifeline Assistance. Enclosed is the necessary "Lifeline Assistance Re-Certification Form." In order for Midstate Communications/Midstate Telecom to continue the monthly Lifeline discount applied to your service, you will need to promptly complete and return this form to our company office at PO Box 48 Kimball, SD 57355.

We would ask that you please complete the enclosed "Lifeline Assistance Re-Certification Form and return it to us (by hand delivery or mail) no later than November 19, 2012 (30 days from the date of this letter). If we do not receive your completed form by that date, your monthly discount will be discontinued and not applied to any bills issued after November 24, 2012.

Failure to provide all of the information requested on this form and to return it within the time specified will result in your de-enrollment from the Lifeline Assistance Program and a loss of the monthly Lifeline Assistance discount/credit that is currently applied to your billing statement.

If you have any questions, please contact our office at 605-778-6221.

Sincerely,

Midstate Communications

Dear Customer:

The Public Utilities Commission (PUC) requires that we notify our customers on an annual basis of the Lifeline Link-up Assistance program. We have enclosed the paperwork explaining eligibility for this program as well as the application. Please review this information and if you qualify for the assistance please complete the application and return it to us with the documentation of the program you are participating in. Examples of documentation would be a copy of the food stamp EBT card if you qualify for food stamps, a copy of the Medicaid card in your name or a copy of the fuel assistance letter if you qualify for the Home Energy Assistance program. Each program has a document of proof that we would need to see as verification that you are eligible.

Important Information

You **will** be required to provide documentation of eligibility.

Lifeline, Tribal Lifeline and Tribal Link Up are federal government assistance benefits and willfully making false statements to obtain the benefits can result in fines, imprisonment, de-enrollment, or being barred from the programs.

Only one Lifeline service is available per household. A household is defined, for the purpose of the Lifeline program, as any individual or group of individuals who live together at the same address as one economic unit. An "economic unit" consists of all adult individuals contributing to and sharing in the income and expenses of a household. A household may include related and unrelated persons. **A household is not permitted to receive Lifeline benefits from multiple providers.** Violation of the one-per-household limitation constitutes a violation of the Federal Communications Commission's rules and will result in your de-enrollment from the program. Lifeline is a non-transferable benefit and you may not transfer your benefit to any other person.

I certify, under penalty of perjury, that:

- (1) I meet the income-based or program-based eligibility criteria for receiving Lifeline, provided in 47 C.F.R. & 54.409. I have provided documentation of eligibility if required to do so;
- (2) I will notify the carrier within 30 days if, for any reason, I no longer satisfy the criteria for receiving Lifeline including, as relevant, if I no longer meet the income-based or program-based criteria for receiving Lifeline support, I am receiving more than one Lifeline benefit, or another member of my household is receiving a Lifeline benefit;
- (3) If I am seeking to qualify for Lifeline as an eligible resident of Tribal lands, I live on Tribal lands, as defined in 47 C.F.R. & 54.400(e);
- (4) If I move to a new address, I will provide that new address to the telephone company within 30 days;
- (5) If I provide a temporary residential address to the telephone company, I will be required to verify my temporary residential address every 90 days;
- (6) The individual named on the documentation provided demonstrating program-based eligibility, if not me, is part of my household;
- (7) My household will receive only one Lifeline service and (including cell phone service), to the best of my knowledge, my household is not already receiving a Lifeline service;
- (8) I acknowledge that I may be required to re-certify my continued eligibility for Lifeline at any time, and my failure to re-certify as to my continued eligibility will result in de-enrollment and the termination of my Lifeline benefits pursuant to 47 C.F.R. & 54.405 (e)(4);
- (9) I acknowledge that providing false or fraudulent information to receive Lifeline benefits is punishable by law; and
- (10) The information contained in this application and certification form is true and correct to the best of my knowledge.

**Consent to Provide Lifeline/Tribal Link Up Subscriber
Information to the National Lifeline Accountability Database**

The Federal Communications Commission has established the National Lifeline Accountability Database ("Database") to detect and prevent consumers from receiving more than one discounted telephone service under the federal Lifeline program.

Under federal law, Midstate Communications/Midstate Telecom is required to check/query this Database prior to signing up Lifeline/Tribal Link Up subscribers and is also required to provide to the federal administrator of this Database the following information regarding each new and existing Lifeline/Tribal Link Up subscriber:

- * The Lifeline/Tribal Link Up subscriber's full name;
- * The Lifeline/Tribal Link Up subscriber's full residential Address;
- * The Lifeline/Tribal Link Up subscriber's date of birth;

- * The date on which the Lifeline service was terminated (if applicable);
- * The amount of Lifeline service support being sought for the subscriber;
- * The means through which the subscriber qualified for Lifeline service (income or program-based, Medicaid, etc.)

The above information related to your Lifeline/Tribal Link Up service is being provided by Midstate Communications/Midstate Telecom to the federal administrator (the "Universal Service Administrative Company" and/or its agents) of the National Lifeline Accountability Database to verify that you, as a Lifeline/Tribal Link Up applicant and/or subscriber, are not receiving more than one Lifeline/Tribal Link Up benefit, and to otherwise ensure proper administration of the Lifeline/Tribal Link Up program.

I, the Lifeline/Tribal Link Up applicant/subscriber, acknowledge that Midstate Communications/Midstate Telecom will transmit to the federal administrator of the National Lifeline Accountability Database the above-referenced information about my Lifeline/Tribal Link Up account and/or service for inclusion into the Database, and hereby consent to transmission of the information for purposes allowed by law relating to administration of the Lifeline/Tribal Link Up program.

I further understand that a failure to provide this consent to release my Lifeline/Tribal Link Up account and/or service information to the federal administrator for inclusion in the National Lifeline Accountability Database will result in a denial of or de-enrollment from Lifeline/Tribal Link Up service.

Lifeline-linkup Assistance

No one should be without telephone service because they can't afford it. Access to a telephone provides access to vital emergency services and community resources. If you need help paying for your telephone services, there is help. You may qualify for Lifeline or Link Up programs through Midstate Communications if you receive benefits such as Food Stamps, Medicaid, or other similar programs. You can save money and stay connected with Midstate Communications and Lifeline and Link Up.

What type of discount is available?

Lifeline assistance lowers the cost of basic, monthly local telephone service. Eligible consumers can receive up to \$9.25 per month in discounts. Eligible residents of Indian reservations or tribal lands can receive up to an additional \$25 in Lifeline support.

Link Up provides eligible low-income consumers living on Tribal lands with a one-time discount of up to \$100 on the initial installation or activation of a wireline or wireless telephone for the primary residence. Tribal Lands Link Up also allows consumers to pay the remaining amount that they owe on a deferred schedule, interest-free. Federal rules prohibit eligible low-income consumers from receiving more than ONE Link Up discount at a primary residence. Eligible consumers may be eligible for Link Up again only after moving to a new primary residence. Link Up support is only offered to carriers who are building out infrastructure on Tribal lands so not all carriers may discount their activation fee.

Enhanced benefits are provided to low-income consumers who live on a federally recognized Indian Tribe's reservation, pueblo, or colony; on a former reservation in Oklahoma; within an Indian allotment; within an Alaska Native region established by the Alaska Native Claims Settlement Act, or Hawaiian Homelands held in trust pursuant to the Hawaiian Homes Commission Act of 1920.

Toll Limitation Service (TLS) support allows eligible consumers who wish to avoid incurring large long distance fees to choose toll blocking or toll control at no cost.

Eligibility

Eligibility for Lifeline, Link Up, and TLS support varies by state. Individuals who reside in states that have their own discount programs qualify for federal Lifeline, Link Up, and TLS support if they meet the eligibility criteria established by their state. In states that do not provide state support, an individual is eligible if he or she participates in one of the following programs:

- Low-Income Home Energy Assistance Program (LIHEAP)

[Answer the Midstate Trivia Question here](#)

- Federal Public Housing Assistance or Section 8
- Medicaid
- Food Stamps
- Supplemental Security Income (SSI)
- Temporary Assistance for Needy Families (TANF)
- National School Lunch Program's free lunch program

In addition, a consumer may be eligible if his or her household income is at or below 135% of the federal poverty guidelines. Residents of Indian reservations or tribal lands qualify if they participate in any of the programs listed above, have a household income that is at or below 135% of the federal poverty guidelines, or participate in one of these programs:

- Bureau of Indian Affairs (BIA) general assistance
- Head Start (income eligible)
- Tribal TANF

Income Requirements

Annual Re-Certification

At least once each year, beginning in 2012, consumers that receive free or discounted Lifeline service must re-certify:

1. That they remain eligible for Lifeline service, and;
2. That no one else in their household receives Lifeline service.

If you have a Lifeline account, you will receive a re-certification notification requiring you to re-certify your eligibility. You could receive a letter in the mail, a telephone call, or a text message asking you to respond by re-certifying that you remain eligible for Lifeline.

If you fail to respond by the deadline indicated, your Lifeline discount will be eliminated.

This means your monthly phone bill will increase, or the free minutes you normally receive each month will not be provided. In order to avoid a change in service, consumers are strongly encouraged to respond promptly to re-certification notifications.

In addition, you must inform your telephone company if you no longer qualify for Lifeline service. If you become ineligible for Lifeline, you must contact your telephone company directly to de-enroll from Lifeline service.

Subject: Correction to South Dakota ETC Listing

Hi Lauren,

I have another correction to request on the South Dakota ETC Listing web page. As you can see from the screen shot below, Midstate Communications is listed twice (or rather once as Midstate Communications and once as Midstate Communication).

Instead of Midstate Communications, the listing with the 888-214-1431 number should be listed as Midstate Telecom, Inc.

The other Midstate Communication listing associated with the number 605-778-6221 should be changed to Midstate Communications (as opposed to Midstate Communication). The web page links associated with both of these companies are correct.

Please let me know if you have any questions.

Thanks!
