Yes, You Can Afford Cell Phone Service, and JVT Can Show You How!

Federal and state lawmakers believe that every person in America should have access to quality, affordable telecommunications service. In fact, they've created a system to do just that.

If you participate in programs such as food stamps, Medicaid, the national school free-lunch program, Section 8 housing or supplemental security income or if your household income is below a certain threshold level, you may qualify for a discount on your cell phone bill.

This "universal service" support includes:

Lifeline assistance that provides discounts for basic monthly cell phone service. Additional discounts for eligible consumers living on tribal lands.
