- 1-1) In the initial application and previous data requests broadband capabilities were talked about and asked about. Why were none of the broadband boxes, lines 320/330 and 440/450, checked or filled in on the Form 481? **No requirement by the FCC to provide broadband information with filing due in 2013 per DA 13-1115 paragraph 3, only voice service obligation information to be provided.**
- 1-2) Line 1222 of Form 481 asks for “details on the number of minutes provided as part of the plan”. I do not see in any of the attachments where that information is given. Please provide the information requested in line 1222 of Form 481. **See attachment #1**
- 1-3) Please provide the information concerning charges for toll calls and rates as requested on line 1223 of Form 481. **See attachment #1**
- 1-4) The attachments for “FCC Form 481, Line 510” and “FCC Form 481, Line 610” in the attachments portion of the filing are certifications for Jefferson Telephone Company. Please provide certifications for Long Lines Wireless, LLC. **See attachment #2 and #3**
- 1-5) Please confirm that the attached letter to the Form 481 is for both new and existing Lifeline customers (line not checked in the Lifeline attachment)? Also please confirm that pursuant to ARSD 20:10:32:55, customers receive written notification of Lifeline availability within 30 days of receiving service. **Yes and see attachment #4.**
