Re: In the Matter of the Petition of Fiber Ring Revenue Pooling  
Association for Approval of the Addition of Redundant Capacity  
Use Exhibit and Other Revised Exhibits

Dear Ms. Van Gerpen:

On March 3, 2014, we filed a Petition on behalf of Fiber Ring Revenue Pooling Association ("FRRPA") requesting approval of some revised charges for Intracompany Transport Use and Public Internet Transport Use, and the addition of a new Exhibit for Redundant Capacity Use. The revised charges for Intracompany Transport Use and Public Internet Transport Use included the addition of charges for high capacity use.

Since the filing, NECA filed new prices for high capacity use, effective April 1, 2014. In light of NECA's actions, FRRPA has made some revisions to the charges on two of the Confidential Exhibits submitted in docket TC14-005. FRRPA has also revised the effective date on all three Exhibits. Attached hereto for confidential filing are revised Exhibits B, C, and G which we would request be substituted for the Exhibits submitted with FRRPA's original filing.

Please do not hesitate to contact me with any questions.

Very truly yours,

RITER, ROGERS, WATTIER &  
NORTHRUP, LLP
