RE: Notification Regarding the Acquisition by Central Telecom Long Distance, Inc.
of the Customers of Consumer Telcom, Inc.

Dear Mr. Danner:

Central Telecom Long Distance, Inc. ("CTLTD") and Consumer Telcom, Inc. ("Consumer Telcom") (jointly "the Companies"), hereby notify the South Dakota Public Utilities Commission ("Commission") that CTLTD is acquiring selected South Dakota customers of Consumer Telcom, through a mutually negotiated customer base acquisition ("Transaction"). As a result of the Transaction, certain Consumer Telcom South Dakota customers will be transferred to CTLTD, which will become the interexchange service provider for those customers.

As described below, the Transaction will be virtually transparent to transferred customers of Consumer Telcom in terms of the services that those customers receive and the rates and terms of those services currently provided by Consumer Telcom. Consumer Telcom will maintain its current operating authority in order to redirect its telecommunications market focus in South Dakota and elsewhere, and continue to assume attendant regulatory obligations.

It is the Companies understanding that prior Commission action is not required for the Companies to complete the Transaction. This notification is provided for informational purposes only. In support of this notification, the Companies provide the following information:

Under the terms of the Transaction, CTLD is to provide transferred Consumer Telcom customers the same services at the same rates, terms and conditions provided by Consumer Telcom. The Transaction became effective on or about May 1, 2014, following regulatory approvals where required.¹

Public Interest Considerations.

Companies respectfully submit that the proposed Transaction serves the public interest. The Transaction will result in the assignment of Consumer Telcom customers to an existing long-standing company with established operating history in the State that will continue to provide telecommunications services to transferred customers without interruption. Further the proposed Transaction is structured to assure an orderly transition of customers from Consumer Telcom to CTLD. The terms and conditions of the Transaction are equitable to both parties. And, the Transaction will not affect the public in South Dakota.

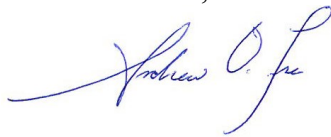

In accordance with the terms of their service contracts and the rules and procedures of the FCC and applicable state(s), including this Commission, customers have been properly notified of the proposed transaction and the change in their telecommunications provider from Consumer to CTLD. CTLD and Consumer Telcom have provided customers with more than 30 days advanced notice of the transfer pursuant to Section 64.1120(e) of the FCC's rules, 47 C.F.R. §64.1120(e). Notification of the transaction has also been provided to the FCC pursuant to 47 C.F.R. §64.1120(e).

For the reasons set forth above, the Companies respectfully request that the Commission grant all authority necessary for Central Telecom Long Distance, Inc. to acquire certain customers of Consumer Telcom, Inc.

Please acknowledge receipt and acceptance of this submission. Thank you for your attention to this matter. Questions may be directed to the undersigned.

Respectfully submitted,

Notice of Carrier Change

March 25, 2014

Dear Valued Consumer Telcom, Inc. Customer:

Great news for your long distance service! Following a reevaluation of its business focus, your current long distance company, Consumer Telcom, Inc. ("CTP") has entered into an agreement with Central Telecom Long Distance, Inc. ("CTLTD") to acquire certain business holdings. **As a result, Central Telecom Long Distance, Inc., will automatically become your new long distance telecommunication services provider after May 1, 2014.** (The specific date(s) of the transfer of your interstate and intrastate telephone services may differ depending upon when we receive the applicable federal and state regulatory approvals.)

Please rest assured that the transaction will not affect the services you currently receive. You will continue to receive services with the same rates, features, terms, and conditions as you currently enjoy, with the added convenience of receiving one bill through your local telephone company, where available. In the event that changes are made to your service you will be notified by separate mailing thirty (30) days prior to the changes becoming effective.

You will not be responsible for any charges associated with the transfer of your account. All charges associated with the transfer to CTLTD will be borne by CTLTD. Although you have the right to select the carrier of your choice, we value your business and hope that CTLTD may continue to serve you. If you should choose another telephone provider you will need to contact that carrier directly to arrange for the change prior to the transfer of your services to CTLTD and also provide CTLTD with notice per existing service terms. It can take several weeks for a new carrier to make the switch and you may also incur service initiation fees from that provider such as service order, installation and other similar charges associated with establishing a new service account.

If you currently have a preferred carrier freeze on your account you will still be automatically transferred to CTLTD on the effective date unless you have selected another carrier before the effective date. To arrange a new freeze or confirm an existing freeze, you must contact your local service provider.

CTLTD will be responsible for responding any customer inquiries prior to and during the transfer of service from CTI to CTLTD. **CTLTD's toll free customer service number for CTLTD is 888-988-9818, which will remain the same after your services are transferred.**

You can trust that you will be provided with the same quality service to which you have grown accustomed with CTI. We welcome you to CTLTD and look forward to meeting all your long distance communication needs. Please visit the web site <http://centraltelecomlongdistance.com/> for more information.

Sincerely,

The Product Management Team
