Re: Company Name Change: IntelPeer, Inc. to Airus, Inc.

Dear Ms. Van Gerpen,

Please accept this letter as IntelPeer, Inc.'s request to change its corporate name to Airus, Inc. IntelPeer, Inc. is authorized to provide local exchange telecommunications services and intrastate interexchange services pursuant to authority granted by the Commission in Docket No. TC10-001 on February 12, 2010. This name change is not an element of a larger transaction. No changes have been made to the Company's corporate organization or ownership. Moreover, the change of the Company's name does not affect the rates, terms and conditions under which IntelPeer's customers would receive service. Importantly, IntelPeer currently does not have end user communications customers in South Dakota. The Company requests that its authorization in South Dakota be reissued or otherwise revised to reflect its new name.

IntelPeer is a Delaware corporation, registered with the South Dakota Secretary of State to transact business as a foreign corporation. A copy of the Company's amended formation documents is appended as Attachment 1. A copy of the Company's amended foreign corporate qualification document is also provided in Attachment 1.

A revised copy of the Company's approved tariff for access services in South Dakota is appended as Attachment 2. The tariff material mirrors what is currently on file with the Commission.
