Five-Year Plan Language for exchanges at or near [REDACTED] deployed

Pursuant to 47 C.F.R. 54.202(a)(1)(ii), Alliance Communications Cooperative, Inc. (Alliance) submits a five-year plan that describes with specificity proposed improvements or upgrades to its network throughout its proposed service area. Alliance also provides estimates regarding the area and population that will be served as a result of the improvements. This plan is based on Alliance's current business and financial conditions and is subject to change as a result of changes in those conditions.

Pursuant to 47 C.F.R. 54.313, in each subsequent year, Alliance will file a progress report on its five-year service quality improvement plan pursuant to 54.202(a), including maps detailing its progress towards meeting its plan targets, an explanation of how much universal service support was received and how it was used to improve service quality, coverage, or capacity, and an explanation regarding any network improvement targets that have not been fulfilled in the prior calendar year.

As of January 1, 2014, [REDACTED] or [REDACTED] customers in Alliance's 391657 Study Area (Exchanges served; [REDACTED], [REDACTED], [REDACTED], [REDACTED], [REDACTED]) have access to broadband Internet service through Alliance's fiber optic facilities. Subscribers served by these facilities have access that meets or exceeds the 4/1 Mbps standard. No capital improvements are required for those subscribers meeting the 4/1 Mbps standard other than maintenance of facilities and as such, no capital investment to these subscribers is outlined in this plan.

Although no capital improvements are required in the Alliance service area to bring subscribers to the 4/1 Mbps standard, Alliance incurred approximately [REDACTED] in depreciation expense and [REDACTED] in on-going maintenance and operating expenses in calendar year 2013. It is reasonable to expect depreciation, maintenance, and operating expenses for the 2015 through 2019 calendar years will continue at similar amounts.
