Re: New Horizons Communications Corp.
Docket No. TC14-072

Dear Sir/Madam:

New Horizons Communications Corp. erroneously stated on pages 3 and 8 of their Application for a Certificate of Authority to Provide Local Exchange Services in South Dakota that they are certified as a interexchange and local service provider in Nevada as of 7/2007. New Horizons Communications Corp. has a pending Application for Certificate of Public Convenience and Necessity in Nevada but is not currently registered. Attached please find amended pages 3 and 8 removing Nevada from list of states currently registered/providing service. We apologize for any inconvenience this may cause.

If you have any questions or if I may provide you with any additional information, please do not hesitate to contact me.

Respectfully submitted,

Lance J.M. Steinhart
