**Re: Notification of the Transfer of Customer and Assets of MegaPath Corporation to GC Pivotal, LLC d/b/a Global Capacity, LLC
CONSUMMATION NOTICE AND REQUEST TO CANCEL AUTHORITY**

Dear Ms. Van Gerpen:

GC Pivotal, LLC d/b/a Global Capacity ("Global Capacity"), on its own behalf and as purchaser of certain network assets and customers from MegaPath Corporation ("MegaPath"), notifies the South Dakota Public Utilities Commission ("Commission") that on December 31, 2014, MegaPath and Global Capacity completed a transaction whereby ownership of certain network assets and certain customers served by those assets from MegaPath were transferred to Global Capacity.¹ As a result of this, MegaPath will no longer provide telecommunications services in South Dakota and therefore no longer requires its authorizations. As such, MegaPath requests that the Commission cancel MegaPath's authorizations to provide intrastate interexchange telecommunications services and rescind any and all tariffs on file with the Commission. MegaPath was granted authority to provide intrastate interexchange telecommunications services in Docket No. TC99-062 on November 18, 1999. Because MegaPath no longer provides any service that is subject to the jurisdiction of the Commission in South Dakota, the Company respectfully submits that the surrender of its authorizations is reasonable and necessary and will not be disruptive to the present or future public interest, convenience and necessity.

Respectfully submitted,
