Re: Supplement to CenturyLink's Notice of Acceptance of Connect America Fund Phase I Round 2 Incremental Support

Dear Ms. Van Gerpen:

On August 20, 2013, CenturyLink notified the Commission that it accepted Connect America Fund (CAF) Phase I Round 2 incremental support for 2013 to deploy broadband to certain locations in South Dakota. The notice included attachments identifying the accepted funding amount, location information, and the required certifications.

After CenturyLink's Notice of Acceptance, the Federal Communications Commission ("FCC") conducted a challenge process allowing competitors to identify the census blocks where they claimed to provide service that meets the FCC's requirements and that should not be funded under CAF Phase I Round 2. The FCC accepted the majority of those challenges and released a revised list of eligible locations and funding amounts. The FCC also set the effective date of CenturyLink's acceptance of CAF Phase I Round 2 incremental support as January 10, 2014.¹ As required by the FCC, CenturyLink is now providing an updated list of the locations in South Dakota for which CenturyLink has accepted CAF Phase 1 Round 2 funding eliminating locations that are no longer eligible for funding due to the challenges.

¹ See Public Notice, Wireline Competition Bureau Announces Deadlines for Connect America Phase I Round Two, DA 14-1392, WC Docket No. 10-90 (rel. Sept. 25, 2014) (also stating that CAF Phase I Round 2 location information is due not later than February 24, 2015).

Attachment A identifies, by 2010 Census Block FIPS code, wire center CLLI code, NECA Company Code (OCN), Study Area Code, latitude and longitude, each of the locations in South Dakota for which CenturyLink has accepted CAF Phase I Round 2 incremental support.

CenturyLink's final deployment plans regarding these locations remain under review pending the FCC's final identification of locations eligible for funding under CAF II. CenturyLink will notify the Commission of any further changes to these locations.
