TC15-055

- 1-1) In the header on page 1, and paragraphs number 3 and 5 it states “ABC Telephone Company.” Confirm that that is supposed to be Santel Communications Cooperative, Inc.

*This clerical mistake has been corrected and an updated cover has been provided and attached.*

- 1-4) Explain why the company doesn’t list any affiliates in the Form 481 yet reports money in the Affiliates’ “Other Accounts Receivable” on the first page of the financial information.

*We do not list any Affiliates on the Form 481 because we do not have any affiliates within our study area.*
