**Re: In the Matter of the Application of Mobilitie Management, LLC for a Certificate of Authority to Provide Local Exchange Telecommunications Services in the State of South Dakota (Docket No. TC16-005)**

[Salutation]:

In accordance with SDCL § 49-31-70 and ARSD 20:10:32:04, please be advised that on April 6, 2016, Mobilitie Management, LLC ("Mobilitie Management") submitted an application for a Certificate of Authority to provide local exchange telecommunications services in the State of South Dakota ("Application") with the South Dakota Public Utilities Commission ("Commission").

Specifically, Mobilitie Management seeks certification to provide local exchange telecommunications services in the territories of all Incumbent Local Exchange Carriers ("ILECs") currently operating in the state. However, Mobilitie Management is not seeking approval to provide services in areas of South Dakota designated as rural telephone service areas.

Mobilitie Management intends to provide local telecommunications exchange services to business customers and government agencies located within the State of South Dakota. Mobilitie Management does not intend to provide services to residential customers.

Pursuant to ARSD 20:10:32:04, each certified telecommunications company operating within Mobilitie Management's proposed service area may seek intervener status in any Commission proceeding held on the Application. Such requests for intervention need not meet the requirements of petitions to intervene set forth in ARSD 20:10:01 *et seq.*

Mobilitie Management intends to provide service as soon as practicable upon approval of its Application.

All questions regarding Mobilitie Management's Application should be directed to the South Dakota Public Utilities Commission.

Respectfully submitted,

A handwritten signature in black ink, appearing to read "K. P. Adamchak". The signature is fluid and cursive, with the first name "Keenan" and last name "Adamchak" clearly distinguishable.
