Patricia Van Gerpen, Executive Director
Public Utilities Commission
Capitol Building, 1st Floor
500 East Capitol Avenue
Pierre, South Dakota 57501-5070

Dear Ms. Van Gerpen:

Qwest Corporation d/b/a CenturyLink QC has attached for filing with the Commission the following page(s) from the Access Service Tariff.

South Dakota Access Service Tariff

See Attachment A for a List of Pages and Revisions Being Filed

This filing proposes to remove Uniform Service Order Codes (USOCs) and Field Identifier Codes (FIDs) from the tariff. These codes are being removed as part of the consolidation and alignment of CenturyLink's billing system. No rates, terms or conditions will be impacted by the removal of these codes.

CenturyLink is also revising terms associated with cancellation of customer orders contained in this tariff. Current language is not clear as to what happens to the customer's order when the customer fails to respond to company inquiries within 30 days after the original service date. Company processes differ by legacy company on when billing begins and when the orders should be cancelled and there is a strong desire to have standard company processes. Accordingly, Service date Change Language is being revised to a standardized format and language surrounding the number of days the existing service orders can be delayed is being set at 60 days.

Qwest respectfully requests that the proposed changes outlined above become effective May 1, 2017.

Sincerely,

A handwritten signature in blue ink that reads "Mark Brinton".
