RE: Local Exchange Carrier Association (LECA) Notification of Revisions to Tariff No. 1

Dear Ms. Van Gerpen

Attached for electronic filing are revisions to LECA Tariff No. 1 to implement changes further prescribed by the 2011 Transformation Order (FCC 11-161). In this filing, LECA is updating the tariff to reflect rate changes for two member companies, Golden West Telecommunications Cooperative and West River Cooperative Telephone Company. The companies are now able to mirror the interstate rate for local switching.

All Interexchange Carriers "of Record" with the Commission will be notified of these revisions through a memo addressed and mailed by U.S. Mail to them on June 1st.

If you have any questions in reference to this filing, please contact me.

Sincerely,

A handwritten signature in cursive script that reads 'Marlene Bennett'. The signature is written in black ink and is positioned above the printed name and title.
