RE: Airus, Inc.: S.D. PUC Tariff No. 1 – Access Tariff Filing Pursuant to FCC ICC/USF Order

Dear Ms. Van Gerpen:

Airus, Inc. (Airus) hereby submits revised pages for Airus SD PUC Tariff No. 1. These revisions are being filed in accordance with the Federal Communications Commission's ("FCC's") *Report and Order and Further Notice of Proposed Rulemaking* in Docket Nos. WC Docket No. 10-90, *et al.* (FCC 11-161, rel. 11/18/11) and subsequent related orders, and Sections 51.911 and 61.26 of the FCC's rules. This submission includes:

- 2nd Revised Sheet 1, Replaces 1st Revised Sheet 1
- 2nd Revised Sheet 2, Replaces 1st Revised Sheet 2
- 2nd Revised Sheet 105, Replaces 1st Revised Sheet 105

Airus hereby adds a cross-reference and URL hyperlink at page 105 that references its interstate access tariff for all intrastate terminating access rates. This will result all per-minute-of-use terminating intrastate access rate elements automatically mirroring the Company's corresponding interstate access rate elements. This filing is requested to become effective on July 31, 2017 (the same day Airus's interstate access tariff revisions to implement Phase 6 of the FCC's intercarrier compensation reform plan are expected to go into effect).

If there are any questions concerning this filing, please feel free to contact me at (312) 506-0933 or at regulatory@airustel.com. Thank you.

Sincerely,

DocuSigned by:
