Lifeline is a federal government assistance benefit and willfully making false statements to obtain the benefit can result in fines, imprisonment, de-enrollment, or being barred from the program. Only one Lifeline service is available per household. A household is defined, for the purposes of the Lifeline program, as any individual or group of individuals who live together at the same address as one economic unit. An "economic unit" consists of all adult individuals contributing to and sharing in the income and expenses of a household. A household may include related and unrelated persons. A household is not permitted to receive Lifeline benefits from multiple providers. Violation of the one-per-household limitation constitutes a violation of the FCC's rules and will result in de-enrollment from the program and, potentially, prosecution by the U.S. government. Lifeline is a non-transferable benefit and you may not transfer your benefit to any other person.

### Select Type of applicable Lifeline Service (office staff may update as necessary)

- Voice/Cell  Voice/Landline  Broadband (meets minimum standard)  
 Bundle (both Voice and Broadband meet minimum standard)

**Note:** Customers receiving Lifeline assistance are required to remain with their service provider for a minimum period before they may transfer the benefit to another provider -- a 60-day "port freeze" for voice services and a 12 month "port freeze" for broadband services.

### Lifeline Discount Benefit Transfer

If you are currently receiving Lifeline from another provider and you wish to transfer your Lifeline discount under this application, you must initial the following statement:

\_\_\_\_\_ My current Lifeline service is not subject to a port freeze and I authorize James Valley Telecommunications to transfer any pre-existing discount with a different provider to my James Valley Telecommunications account, subject to all terms and conditions described in this application, understanding that only one Lifeline supported service is available per household.

### Eligibility

Please identify all programs you, a dependent or another household member are currently enrolled in or if your household would like to qualify based on income based eligibility:

- Medicaid  Supplemental Security Income (SSI)  Federal Public Housing Assistance  
 SNAP  Veteran's Pension or Survivor's Pensions

If you do not participate in one or more of the programs listed, you may qualify for Lifeline if your household income does not exceed 135% of the Federal Poverty Guidelines (FPG). See table on the next page:

## Consent to Provide Lifeline Subscriber Information to the National Lifeline Accountability Database (NLAD) - JVT

The Federal Communications Commission has established the National Lifeline Accountability Database (NLAD) to detect and prevent consumers from receiving more than one discounted telecommunications service under the federal Lifeline program.

Under federal law, James Valley Telecommunications is required to check this database prior to signing up Lifeline subscribers and is also required to provide the following information to the federal database's administrator:

- The Lifeline subscriber's full name;
- The Lifeline subscriber's full residential address;
- The Lifeline subscriber's date of birth;
- The last four digits of the Lifeline subscriber's social security number;
- The telephone number associated with the Lifeline service;
- The date on which the Lifeline service was initiated;
- The date on which the Lifeline service was terminated (if applicable);
- The amount of Lifeline service support being sought for the subscriber; and
- The means through which the subscriber qualified for Lifeline service (income or program-based, Medicaid, SNAP, etc).

The above information related to your Lifeline service is being provided by James Valley Telecommunications to the National Lifeline Accountability Database to verify that you, as a Lifeline applicant and/or subscriber, are not receiving more than one Lifeline benefit, and to otherwise ensure proper administration of the Lifeline program.

I, the Lifeline applicant/subscriber, acknowledge that James Valley Telecommunications will transmit to the administrator of the federal National Lifeline Accountability Database the above-referenced information about my Lifeline account and service for inclusion into the database, and hereby consent to transmission of the information for purposes allowed by law relating to administration of the Lifeline program.

I further understand that a refusal or failure to provide this consent to release my Lifeline account and service information to the administrator for inclusion in the federal National Lifeline Accountability Database will result in a denial of or de-enrollment from Lifeline service.
