Re: Docket TC17-066 – Bluebird Communications SD LLC

To whom it may concern:

Bluebird Communications SD LLC filed on November 2, 2017 for a certificate to provide facilities based local exchange service in South Dakota. The company at some point after it is approved for local service will file for interexchange service, but will not do so at this time. Bluebird Communications SD LLC understands that it will not be able to provide long distance service in South Dakota until it is approved as an Interexchange Carrier and will not offer that service until it is approved to do so by the Public Utilities Commission of South Dakota.

Sincerely,

Peter Batchlor
Manager
Bluebird Communications LLC
