South Dakota Data Request

- 1.2. Provide an organizational chart for company before and after the indicated internal corporate reorganizing.

Birch Response to 1.2:

Please see Exhibit 1. The post-close organizational chart reflects the internal corporate reorganization as well as the pending transaction between the Birch entities and Fusion Telecommunications International, Inc. Birch also provides in Exhibit 3 a copy of the notification letter previously submitted to the Commission regarding the pending Birch-Fusion transaction.
