Need help paying your phone bill?

Many low-income families qualify for assistance with phone charges, but don't realize that this help is available. You are allowed only one Lifeline discount per household. You cannot transfer your Lifeline discount to someone else, even if he or she is eligible.

Lifeline is a federally funded program created to provide every customer the opportunity to have affordable telephone service. Lifeline provides qualified customers with a monthly discount if you are enrolled in one of the following:

- Food Stamps (SNAP)
- Federal Public Housing Assistance
- Supplemental Security Income
- Medicaid
- Veterans Pension or Survivors Pension

Individuals who live on a federally recognized reservation or trust land may qualify for a discount if they receive assistance from one of the following:

- Food Stamps (SNAP)
- Federal Public Housing Assistance
- Supplemental Security Income
- Medicaid
- Bureau of Indian Affairs general assistance program
- Tribally Administered Temporary Assistance for Needy Families
- Tribal Head Start (meeting income qualifying standards)
- Food Distribution Program on Indian Reservations (FDPIR)

If you do not participate in one or more of the programs listed above, you may qualify for Lifeline if your household income does not exceed 135% of the Federal Poverty Guidelines (see table below).

Lifeline

Lifeline and Toll Blocking support is available from Venture Communications. These programs provide discounts to eligible low-income consumers to help them establish and maintain telephone service.

Lifeline assistance lowers the cost of basic, monthly local telephone service. Eligible consumers can receive \$9.25 per month in discounts. In addition, the Federal Universal Service Charge is not assessed to consumers participating in Lifeline.

Toll Blocking prevents the placement of all long distance calls for which a subscriber would be charged. Toll Blocking is available to eligible consumers at no cost.

Customers are eligible if they, one of their dependents or their household participate in one of the following programs:

- Federal Public Housing Assistance (Section 8)
- Supplemental Nutrition Assistance Program (SNAP), f/k/a Food Stamps
- Medicaid
- Supplemental Security Income (SSI)
- Veteran's Pension or Survivors Pension

In addition, consumers are eligible if their household income is at or below 135% of the federal poverty guidelines.

Venture Communications voice service is a Lifeline-supported service. Only eligible consumers may enroll in the Lifeline program. Lifeline applicants must present documentation demonstrating eligibility either through participation in one of the qualifying federal assistance programs or through income-based means. Lifeline recipients are required to recertify their eligibility every year. The Lifeline program is limited to one benefit per household, consisting of either wireline or wireless service. A household is defined for purposes of the Lifeline program, as an individual or group of individuals who live together at the same address and share income and expenses. Lifeline is a government benefit program, and consumers who willfully make false statements in order to obtain the benefit can be punished by fine or imprisonment or can be barred from the program.

To apply for this low-income assistance, please contact Venture Communications at 1-800-824-7282, 605-852-2224 or by going to our website at venture@venturecomm.net.

Trouble Shooting Tips:

Trouble with your service may come from any of three sources:

1. The equipment inside your home (TV, Computer, Phone)
2. Wiring inside your home or business
3. The telephone line

To check:

Test your device by unplugging the one with the problem and try another device. If this corrects the problem, it is probably a problem with your device itself. Have the device repaired or replaced.

If you have determined that the device is not the problem or you cannot identify what is causing the problem, contact the office at 605-852-2224 or 1-800-824-7282.
