Dear Ms. Van Gerpen,

Attached on behalf of NextGen Communications, Inc. ("NextGen") for filing please find:

- 1) Objections to the June 28, 2018 Commission Order and corresponding
- 2) Proposed Order

As the attached pleadings state, NextGen objects to the Commission entering an Order that does not answer the precise question asked in the Petition for Declaratory Ruling. The Department of Public Safety / 9-1-1 Coordination Board carefully worded the question in its Petition and the Commission chose to answer it denying the Motion to Dismiss as filed by NextGen.

However, in its findings the Commission excluded an aspect of the question asked thus changing the scope of this proceeding. In addition, the Commission included a finding that was not asked by the 9-1-1 Coordination Board thus expanding the scope of this proceeding.

NextGen respectfully request the Commission amend its Order. Due to the appellate timeline, NextGen request notification regarding the Commission's decision in this matter.

Sincerely,

MAY, ADAM, GERDES & THOMPSON LLP
