

Exhibit D – Technical/Managerial Qualifications

Exhibit D – Technical/Managerial Qualifications

Joshua Broder, President

Joshua Broder is the President of SQF, LLC and CEO of its parent company, Tilson Technology Management, Inc. (“Tilson”). He has a diverse background in telecommunications, organizational leadership, and corporate growth as a former Army Signal officer, an industry consultant, and an executive.

While in the U.S. Army, Joshua served as Operations Officer in charge of the tactical satellite communications network supporting U.S. and NATO Combat Forces and other U.S. Government agencies at 33 remote locations in Central Asia (Afghanistan, Uzbekistan, and Pakistan). Joshua was awarded the Bronze star for his tour in Afghanistan.

Joshua joined Tilson in 2006 as the third employee. Today, Tilson employs over 300 people and has a worldwide practice, providing clients with cutting-edge consulting services. Under Joshua’s leadership, Tilson has managed the planning, design, and construction of over a dozen telecommunications deployments throughout New England and the mid-Atlantic, including smart grid, fiber optic, and cellular LTE projects. Joshua led Tilson’s efforts to support Central Maine Power in its roll out of territory-wide AMI infrastructure and the Maine Fiber Company and the Massachusetts Broadband Institute to deploy large-scale, publicly-funded fiber optic networks in rural Maine and Massachusetts respectively.

Joshua’s efforts to grow and sustain Tilson’s business have been widely recognized in the local and national business communities. Under Joshua’s leadership, Tilson was awarded the 2010 Governor’s Award as Technology Company of the Year from TechMaine, an award recognizing a company that significantly contributes to Maine’s position as a cutting-edge technology state. Joshua was also one of four business leaders recognized by the Portland, Maine Regional Chamber of Commerce in 2011, the youngest ever recipient of the Chamber’s President’s Award. Josh earned a BA in History from Middlebury College with a minor in Military Studies from the University of Vermont, and holds an Advanced Certificate in Entrepreneurship from John F. Kennedy University.

Michael Svigelj, Controller

Michael Svigelj serves as Controller of SQF’s parent company, Tilson. Prior to joining Tilson, he served as a financial officer for several firms as he was the Cost Control Analyst for ECC, a worldwide design-build, construction, environmental remediation, engineering and design management firm. Earlier in his career, Mike was Corporate Accounting Manager for the Pernix Group, a leading construction, general contracting, design/build firm, and Controller for Maxim Construction. Mike holds a BA in Accounting from Michigan State University.

(Exhibit D – Cont’d)

Timothy Schneider, General Counsel

Timothy Schneider is General Counsel at Tilson. He joined Tilson following a four-year appointment as the State of Maine’s Public Advocate, where he successfully represented Maine utility customers before the Public Utilities Commission, to ensure affordable, high-quality utility services. At Tilson, Tim represents the company before state and federal regulatory bodies and advises clients regarding broadband infrastructure development, right-of-way and pole attachment laws, transmission line siting, and eminent domain, among other issues. Tim earned his B.A from Harvard University and his J.D. from New York University School of Law.

Maureen Hopkins, Director – Real Estate

Maureen Hopkins is a Maine licensed attorney and manages the site acquisition and real estate division at Tilson. Maureen has 10 years of experience in the telecommunications industry, specializing in structuring complex licensing and financial transactions between property owners, tower owners, public agencies, and private telecommunications firms. Maureen also has extensive experience in zoning and permitting, and navigating the complex regulatory framework around siting wireless telecommunication facilities. Since joining Tilson in 2013, Maureen has managed tower portfolios for multiple non-profit organizations and has managed several large-scale network deployments for wireless carriers. Additionally, Maureen has negotiated several pole attachment agreements with utility pole owners, and has overseen pole licensing and the deployment of fiber and wireless equipment on utility poles in New England, New Jersey and New York. Maureen holds a Master’s Degree from The George Washington University and a Juris Doctor from the University of Maine School of Law.

Kevin Russ, PMP, Market Manager

Kevin J. Russ, PMP is a Market Manager for Tilson managing all operational activities surrounding Distributed Antenna System (DAS)/ small cell development and deployment. He has over 20 years’ experience in project management, 14 of them in telecommunications nationwide. He started in telecom at Wireless Edge and has worked for Black & Veatch and AT&T. Kevin holds a Master’s Certificate in Project Management and Applied Project Management from Villanova University.

Nicholas Bournakel, Administrator

Nick Bournakel handles regulatory and compliance filings and ongoing public utility commission requirements regarding certification and regulation of SQF, LLC. He has ten years of experience working with government agencies and previously worked in Tilson’s broadband consulting practice. Nick earned his B.A. from Bates College and his J.D. from The University of Maine School of Law.
