Lifeline is a federal government assistance benefit and willfully making false statements to obtain the benefit can result in fines, imprisonment, de-enrollment, or being barred from the program. Only one Lifeline service is available per household. A household is defined, for the purposes of the Lifeline program, as any individual or group of individuals who live together at the same address as one economic unit. An "economic unit" consists of all adult individuals contributing to and sharing in the income and expenses of a household. A household may include related and unrelated persons. A household is not permitted to receive Lifeline benefits from multiple providers. Violation of the one-per-household limitation constitutes a violation of the FCC's rules and will result in de-enrollment from the program and, potentially, prosecution by the U.S. government. Lifeline is a non-transferable benefit and you may not transfer your benefit to any other person.

FOR IMMEDIATE RELEASE

## **Lifeline: Affordable Telephone Service for Income-Eligible Consumers**

### **Background**

Lifeline is a government benefit program that provides discounts on monthly telephone service for eligible low-income consumers to help ensure they have the opportunities and security that telephone service affords, including being able to connect to jobs, family, and 911 services. Lifeline is supported by the Federal Universal Service Fund (USF).

### **What Benefits are Available Under the Lifeline Program?**

Lifeline assistance lowers the cost of basic monthly local telephone service. An eligible customer will receive a discount of \$9.25 per month. Federal rules prohibit eligible low-income consumers from receiving more than ONE Lifeline service per household. That is, eligible low-income consumers may receive a Lifeline discount on either a wireline or a wireless service, but may not receive a Lifeline discount on both services at the same time. Additionally, only ONE Lifeline service may be obtained per household. "Household" is defined as any individual or group of individuals who live together at the same address as one economic unit. An "economic unit" is defined as "all adult individuals contributing to and sharing in the income and expenses of a household." Lifeline support is available to eligible low-income consumers living in group living facilities. Lifeline applicants may demonstrate when initially enrolling in the program that any other Lifeline recipients residing at their residential address are part of a separate household.

Lifeline can also include Toll Limitation Service, which enables a telephone subscriber to limit the amount of long distance calls that can be made from a telephone.

Link Up provides eligible low-income consumers living on Tribal lands with a one-time discount of up to \$100 on the initial installation or activation of a wireline or wireless telephone for the primary residence. Tribal Lands Link Up also allows consumers to pay the remaining amount that they owe on a deferred schedule, interest-free. Federal rules prohibit eligible low-income consumers from receiving more than ONE Link Up discount at a primary residence. Eligible consumers may be eligible for Link Up

again only after moving to a new primary residence. Link Up support is only offered to carriers who are building out infrastructure on Tribal lands so not all carriers may discount their activation fee. Enhanced benefits are provided to low-income consumers who live on a federally recognized Indian Tribe's reservation.

### **How Do I Qualify for Lifeline Discounts?**

The Lifeline program is available to eligible low-income consumers in every state, territory, commonwealth, and on Tribal lands. You must be eligible to enroll. To participate in the program, consumers must either have an income that is at or below 135% of the federal Poverty Guidelines or participate in one of the following assistance programs:

- Medicaid
- Supplemental Nutrition Assistance Program (Food Stamps or SNAP)
- Supplemental Security Income (SSI)
- Federal Public Housing Assistance (Section 8)
- Veterans Pension and Survivors Benefit Programs

#### **TRIBAL-SPECIFIC PROGRAMS:**

- Bureau of Indian Affairs General Assistance
- Tribally-Administered Temporary Assistance for Needy Families (TTANF)
- Food Distribution Program on Indian Reservations (FDPIR)
- Head Start (if income eligibility criteria are met)

When you qualify for any of the above programs, you must complete a Lifeline Assistance Application. For more information, or to find out if you qualify for the programs, call your local telephone company, state Public Utility Commission, or the Federal Communications Commission at 1-888-CALL-FCC. ## The Importance of an Authorized User Form

To protect the privacy of information contained in your telephone account, WRCTC is only allowed to discuss account information with the person(s) listed on the account. Also, we must authenticate you (confirm your identity) before sharing account information. This is done by asking you two questions pertaining to your account that only you, as the account holder, would know.

If your account is listed ONLY in your name, you might want to consider adding another. For instance, if you are a 456-2177 parent or individual who relies on someone else to discuss account changes, payments or any other account data with our company, you will need to have the person's name added to your records as an authorized person before our customer service representatives are able to assist them.

If you need an authorized user form, the 374-4124 form can be found on our website, [www.wrctc.coop](http://www.wrctc.coop), or you may call our office at 777 or 605-244-5213.

Ten telephone numbers were hidden in last month's newsletter. Those members who hunted and found their number were: Greg Veal, Meadow, Dorothy Padden, Camp Crook, Josh Hoff, Lemmon and Orville Edwards, Vale. Hidden in this issue are ten new numbers. If you find YOUR number, all you have to do is notify our office. The \$10 will then be deducted off your telephone bill. New connect numbers do not count. **Deadline is June 22, 2017.**
