Re: Supplement to Response to Staff Data Request on behalf of LTE Wireless Inc.
Docket No. 19-005

Dear Ms. Reichert:

To clarify the Initial Response to Staff's Data Request, Applicant submits as follows:

This is to confirm that Mr. Dennis Morrisey's correct title is President.

This is to confirm that Mr. Morrisey has hired an Executive Assistant/Regulatory Specialist to provide support during the establishment and running of LTE Wireless Inc. Please see the attached resume of Victoria Easley.

This is also to confirm that LTE Wireless does not intend to provide IXC services in the state of South Dakota at all. Should that change, LTE commits to obtaining the proper certifications.

This is also to update Number 6 of the Amended Application. Since filing this Application, Applicant was granted a Certificate of Public Convenience and Necessity. Please see attached Letter of Authorization dated May 15, 2019, provided by the New York Public Service Commission.

Questions and communications regarding this matter should be addressed to the undersigned.

Many regards.

/S/ Dana Hoyle
