RE: Petition for Declaratory Ruling TC19-041
Our File: New

Dear Ms. Van Gerpen:

Commission Staff and AF Pierre, Inc. are working together to schedule a time for the Commissioners to hear from the parties on this docket. AF Pierre, Inc. representatives will travel to Pierre from Wisconsin to communicate directly with the Commissioners. Therefore, they need time to make travel arrangements. The company is also aware of the Commission Staff's busy schedule.

As a result, AF Pierre, Inc. requests the Commission extend the time for decision making. Pursuant to ARSD 20:10:01:35 AF Pierre, Inc., the Petitioner, agrees more time is necessary and it is not possible to schedule this matter for hearing within 60 days from the date of filing.

AF Pierre, Inc. requests that the parties be permitted to identify a date that works for them outside the 60 days as set forth in ARSD 20:10:01:35.

Sincerely,

MAY, ADAM, GERDES & THOMPSON LLP
