Re: Docket TC20-028

Dear Ms. Van Gerpen:

As you may be aware, the Commissioners had some follow up questions for Clarity Telecom, LLC dba Vast Broadband ("Vast") after the company's annual ETC certification (TC20-028). Representatives from the company met with the Commissioners at the regular meeting of the Commission on November 12, 2020. As a result of that meeting, Vast revised its five-year plan for its ILEC, Study Area Code 391652, which was Confidential Exhibit B-1 in TC20-028.<sup>1</sup>

Per the instructions of Commission Council, we are filing Confidential Exhibit B-1 in TC20-028, in order to clarify for future filings, the correct five-year plan for Vast's ILEC, Study Area Code 391652.

If you have any questions, please contact me.

Sincerely yours,

RITER ROGERS, LLP
