

Docket Number: TC20-030
Subject Matter: Second Data Request
Request to: RT Communications, Inc.
Request from: South Dakota Public Utilities Commission Staff
Date of Request: August 13, 2020
Responses Due: August 24, 2020

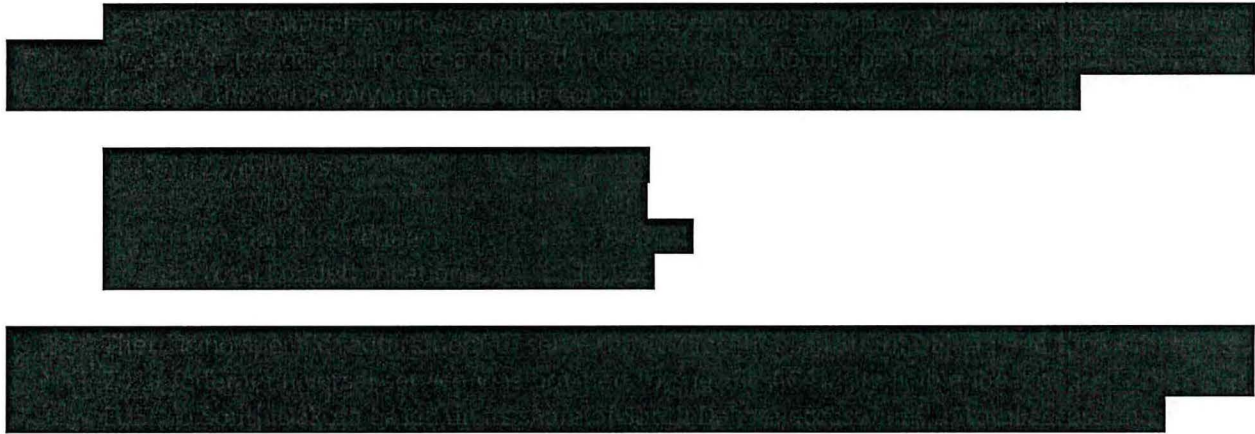

PUBLIC REDACTED

1-1. Provide the number of the company's South Dakota ACAM-II supported locations.

Response: There are 187 ACAM-II locations in South Dakota for the Range Wyoming holding company.

1-2. In relation to the response to Data Request 1-1, what is the South Dakota ratio of the company's 2019 Federal Universal Receipts based off of the number of South Dakota ACAM-II supported locations?

Confidential

1-3. Provide information on company's plan on achieving the ACAM-II broadband deployment milestones and describe how the company's South Dakota ACAM-II supported locations fit into the plan of achieving these federal deployment obligations.
