RE: Docket TC20-051 -Clear Rate Communications, Inc. – Supplemental Information to Original Application and Request for Waivers

Dear Staff,

Clear Rate Communications, Inc. (“Company”) has submitted registration to the South Dakota Public Utilities Commission to provide local and long distance within the state. On March 2, 2021, Staff requested additional information.

Clear Rate Communications provided notice to other local exchange carriers in the proposed areas as prescribed in ARSD 20:10:32:04 on March 8th, 2021. Clear Rate has attached an affidavit attesting to this requirement.

In the Company’s original application to provide Interexchange Services, Clear Rate indicated it would provide resold long-distance services and provide services in the exchanges served by CenturyLink. The application should have indicated that Clear Rate Communications will provide service on a statewide basis.

The email address used for general inquiries is info@clearrate.com. This email address was omitted in error from the original application.

Clear Rate originally requested waivers for which they did not require. The Company requests waivers for the following:

20:10:24:02 (9) and 20:10:32:03 (12)

The Company does not have or produce a cash flow statement in its general business and they would like to request a waiver of the Statement of Cash Flows requirement. The Income Statement and Balance sheet have both been submitted.

If you have any questions regarding this filing, please contact me at (407) 794-3488 or regulatory@csilongwood.com.

Respectfully submitted,

/s/ Mark Lammert
