The individual I need to speak with at Vantage Point is traveling today. He is unable to review the confidentiality agreement, execute a document acknowledging he read it and then do a preliminary review of the documents to determine if the schedule below works.

I will have an answer for you on Monday.

I apologize and understand you may file a Motion.

Kara

Kara:

Attached is the RDOF materials regarding LTD's plan as promised. These are being designated "Attorneys' Eyes Only" under the stipulation for protective order that we executed yesterday.

Also, I wanted to try to get the schedule done. Although we do not think SDTA really needs 4 weeks to complete prefiled testimony after completion of discovery, we are willing to agree to your proposed schedule if we agree to have a joint call with Staff the week of September 20 to discuss options for accelerating the schedule and avoiding an evidentiary hearing. So, with that in mind, we propose the following schedule:

- 1) Aug 27 for completion of discovery (*meaning that all discovery requests would be served on or before that date*).
- 2) 2 weeks for LTD to reply - LTD response deadline: Sept 10
- 3) "Meet and confer" call with LTD, SDTA, and staff about remaining issues and procedural next steps sometime during the week of September 20.
- 4) October 11 simultaneous, initial prefiled testimony
- 5) October 26 for prefiled rebuttal
- 6) Nov 3 for motions deadline

Please advise if you agree to this schedule. If we cannot get an agreement, I am instructed to file our motion by the end of the day.

Thanks

Jason
