Jason,

I do apologize for my premature belief that financial materials were unnecessary. It was foolish of me to make such statements prior to expert review of the engineering plan. The statement was not, however, made in bad faith. Pursuant to your letter, I will file a Motion to Compel.

Due to this change and given the need to file a Motion do Compel, I do not agree to the schedule you propose. This discovery dispute must be resolved first.

I agree to have the Motion heard at the September 14 Commission meeting. I will get it filed by next Friday, August 27.
