RE: Docket TC21-042 - Airus, Inc.: S.D. PUC Tariff No. 1 – Access Tariff Revisions

Dear Executive Director:

Airus, Inc. (“Airus” or “Company”) submitted tariff revisions to SD Tariff No. 1 on June 16, 2021. Subsequently, Staff issued data requests regarding the tariff filing. After reviewing Staff’s data requests, the Company determined that changes were needed to the tariff filing. As such, Airus hereby seeks to withdraw the June 16th filing and replace it with the enclosed tariff pages. These tariff revisions address the FCC’s rules related to Toll-Free Originating Access Service rates. The Toll-Free rates included in this filing adhere to the FCC’s requirements and are no higher than the corresponding South Dakota intrastate rates of the incumbent LEC Lumen/CenturyLink.

This submission includes:

- 3rd Revised Sheet 1, Replaces 2nd Revised Sheet 1
- 3rd Revised Sheet 2, Replaces 2nd Revised Sheet 2
- 3rd Revised Sheet 105, Replaces 2nd Revised Sheet 105

The requested effective date is July 1, 2021.

If there are any questions concerning this filing, please feel free to contact me at (312) 506-0933 or at regulatory@peerlessnetwork.com. Thank you.

Sincerely,

Patrick Phipps
