RE: **TC21-043**: Peerless Network of South Dakota, LLC – Switched Access Tariff (Revisions)

Dear Executive Director:

Peerless Network of South Dakota, LLC (“Peerless” or “Company”) submitted tariff revisions to SD Tariff No. 1 on June 16, 2021. Subsequently, Staff issued data requests regarding the tariff filing. After reviewing Staff’s data requests, the Company determined that changes were needed to the tariff filing. As such, Peerless hereby seeks to withdraw the June 16th filing and replace it with the enclosed tariff pages. These tariff revisions address the FCC’s rules related to Toll-Free Originating Access Service rates. The Toll-Free rates included in this filing adhere to the FCC’s requirements and are no higher than the corresponding South Dakota intrastate rates of the incumbent LEC Lumen/CenturyLink.

This submission includes:

- 1st Revised Page 2, cancels Original Page 2
- 1st Revised Page 69, Cancels Original Page 69
- 1st Revised Page 75, Cancels Original Page 75.

The requested effective date is July 1, 2021.

Any questions or correspondence about this tariff should be directed to me at the contact information below. Thank you for your assistance in this matter.
