Re: Granite Telecommunications, LLC Advice Letter No. 12

Dear Ms. Van Gerpen:

Granite Telecommunications, LLC ("Granite") submits to the South Dakota Public Utilities Commission revised sheet 65 to its South Dakota switched exchange access service tariff, South Dakota P.U.C. Tariff No. 3.

With this submission, Granite replaces the version submitted under its June 29, 2021 filing. Amended Sheet 65 corrects the Company's intrastate Toll Free Data Base Access Service rate now set at parity with the corresponding dominant incumbent local exchange carrier South Dakota rate, and corrects a typographical error. The issue and effective dates reflected in Granite's June 29, 2021 submission remain unchanged. Following discussion with staff, Granite respectfully requests that its August 3, 2021 submission in this matter be removed from the record.

Thank you for your attention to this matter. Questions concerning may be directed to the undersigned.

Sincerely,

MILLER ISAR, INC.
