RE: Interstate Telecommunications Cooperative, Inc. f/k/a SSTELECOM ("ITC CLEC"), Revised Intrastate Switched Access Services Tariff No. 1

Dear Ms. Van Gerpen,

Attached for electronic filing, on behalf of ITC CLEC, are revised tariff pages to ITC CLEC's Intrastate Switched Access Services Tariff No. 1. This filing brings ITC CLEC into compliance with the Federal Communications Commission in its Report and Order in WC Docket No. 18-156, FCC Release No. 20-143, issued October 9, 2020 ("Order"). The revisions establish separate toll free and non-toll free originating end office and local transport rates and refers to ITC CLEC's interstate tariff in order to facilitate the mandated rate phase down per the Order for 8XX Data Base Query Service rates. Additionally, the footer was updated for current General Manager on each tariff page and the FCC tariff reference was revised as ITC CLEC changed interstate tariffs.

The specific pages modified are:

- Title – 6th Revised
- Page 1 – 9th Revised
- Page 6-1 – 3rd Revised
- Section 17-1 – 6th Revised
- Section 17-4 – 6th Revised
- Section 17-5 – 5th Revised

ITC CLEC respectfully requests that the proposed changes become effective July 15, 2021.

Please feel free to contact me at (605) 995-1756 or via email at wendy.harper@vantagepnt.com, if you have any questions.
