

Exhibit C

Officers, Managers and Technical Team

MMI is technically and managerially qualified to provide telecommunications services in South Dakota. MMI's operations will be directed by management, technical, and operations staffs with considerable experience in the telecommunications industry. The key officers and managers of MMI are as follows:

David Kling, President, CEO, and Secretary

Susan Taylor, Vice President and Treasurer

Michael Johnson, Vice President and Assistant Secretary

David Kling and Susan Taylor, Managers

All officers and directors can be reached through Applicant's corporate headquarters at 1601 Willow Road, Menlo Park, CA 94025, or by telephone at (650) 804-3710. Short biographies of Mr. Kling, Ms. Taylor, and Mr. Johnson are provided below:

David Kling is Vice President, Deputy General Counsel & Corporate Secretary of Facebook. He has worked at the company since 2009 and is currently responsible for oversight of corporate and commercial legal matters for Facebook, as well as the APAC and Oculus legal teams, in addition to his role at MMI. He was previously a Partner at Gunderson Dettmer Stough Villeneuve Franklin & Hachigian, LLP where he practiced business law, focusing on the representation of start-up, emerging growth and public companies; venture investors; and investment banks. He is a graduate of the Boalt Hall School of Law and earned his bachelor's degree at Stanford.

Susan Taylor has served as Chief Accounting Officer of Facebook, Inc. since April 2017. From January 2012 to March 2017, Ms. Taylor was the Vice President, Controller, and Chief Accounting Officer of LinkedIn Corporation, a professional social networking company. From August 2009 to January 2012, Ms. Taylor was the Vice President, Controller, and Chief Accounting Officer of Silver Spring Networks, Inc., a provider of networking solutions, and from October 2008 to August 2009, Ms. Taylor was the Senior Director, Accounting Policy of Yahoo! Inc. Prior to Yahoo!, Ms. Taylor spent over thirteen years at PricewaterhouseCoopers LLP, an accounting firm, in various accounting roles. Ms. Taylor received a bachelor of commerce degree from the University of Toronto.

Michael Johnson is the Deputy General Counsel, Corporate/Securities/M&A at Facebook, where he has served since 2010. Previously, he served as Senior Director of Corporate Legal Affairs and Associate General Counsel at Juniper Networks, a network and cybersecurity firm. Mr. Johnson began his legal career at Cooley Godward LLP in Palo Alto, focusing on representation of emerging companies and venture capital funds. He holds a J.D. from the University of California, Hastings College of the Law and a B.A. in Political Science from UCLA.

MMI's technical team is comprised of individuals with substantive experience in successfully managing and operating telecommunications businesses, including Michael Johnson, who will serve as a manager, and Keith Osborn, who will serve an important role in the company's operations. A short biography of Mr. Osborn is provided below:

Keith Osborn has over 20 years of experience in the telecommunications industry, including expertise related to building network infrastructure at companies such as Qwest Communications and Level 3 Communications. Immediately prior to joining MMI, Mr. Osborn served as Vice President of Network Development for Zayo Group. His experience includes developing strategic

plans for expanding infrastructure and creating strategies to optimize use of the network through detailed infrastructure analysis. In his various roles, Mr. Osborn has actively managed operations and site development. Mr. Osborn is an engineer by training and obtained his Bachelor of Science from Mesa State College.
