On September 23, 2021, the Commission electronically transmitted notice of the filing to interested individuals and entities on the Commission's PUC Weekly Filings electronic listserv. The notice stated that initial comments were due October 7, 2021. No comments were filed.

The Commission has jurisdiction over this matter pursuant to SDCL Chapter 49-31, and the Federal Telecommunications Act of 1996.

At its regularly scheduled meeting on October 28, 2021, the Commission considered this matter. Commission staff recommended approval of amendment to the agreement.

In accordance with 47 U.S.C § 252(e)(2), the Commission found that the agreement does not discriminate against a telecommunications carrier that is not a party to the amended agreement and the amended agreement is consistent with the public interest, convenience, and necessity.
