

Reseller Underlying Carriers

Allstream plans to enter into agreements with the prominent Carriers in the state in order to have a network which can best serve our customers. The agreements with carriers in the state have not yet been negotiated.

Allstream anticipates entering agreements with the following carriers, all of which are certified to provide services in the State:

- AT&T
- CenturyLink
- EarthLink
- Frontier
- Verizon
- Any other ILEC providers in the state, which could serve our customers.
