Re: dishNET Wireline, L.L.C. Advice Letter No. 15, 2022 FCC 8YY Access Reform/47 C.F.R.
§51.911 Toll Free Access Rate Compliance

Dear Ms. Van Gerpen:

Pursuant to the Federal Communications Commission's October 9, 2020 Report and Order in WC Docket No. 18-156, FCC 20-143, ("8YY R&O") and Section 51.911(c) of the Federal Communications Commission's rules, 47 C.F.R. §51.911(c), dishNET Wireline, L.L.C. ("dishNET") submits to the South Dakota Public Utilities Commission revised sheets 2 and 37 to its South Dakota switched exchange access service tariff, South Dakota P.U.C. Tariff No. 2.

With this submission, dishNET complies with the 8YY R&O by setting its Toll Free Data Base Access Service rate at parity with the corresponding interstate Qwest Corporation d/b/a CenturyLink QC's intrastate access rates for South Dakota, as set forth in in dishNET interstate F.C.C. Tariff No. 1, effective July 1, 2022. dishNET's F.C.C. Tariff No. 1 may be viewed at <https://apps.fcc.gov/etfs/public/tariff.action?idTariff=388>. As the benchmarked rates mirror the dominant incumbent rates, no rate calculations are included, accordingly.

Thank you for your attention to this matter. Questions concerning may be directed to the undersigned.

Sincerely,

MILLER ISAR, INC.
