## Companies Near Me

This tool can help you find companies in your area that offer [Lifeline](#) and the [Affordable Connectivity Program \(ACP\)](#) service. These programs can reduce the cost of phone or internet service by providing a monthly discount. ACP, which began on December 31, 2021, is the long-term replacement of the Emergency Broadband Benefit Program.

To learn more about these programs and learn if you qualify for a discount, visit [Lifeline Do I Qualify?](#) page or the [ACP Do I Qualify?](#) page.

ACP service providers may have their own application process, so consumers should contact their preferred service provider for more information. Consumers may also be eligible for a one-time discount on a laptop, desktop computer, or tablet through ACP. However, not all service providers offer the device benefit. Ask your service provider if they offer devices or visit the [FCC's website](#) to see a list of providers who offer the device benefit.
