**RE: REVISED SERVICE TERRITORY FOR THE CITY OF
BROOKINGS TELEPHONE, DBA, SWIFTEL COMMUNICATIONS**

Dear Ms. Van Gerpen:

Please consider this letter as an application for an amended Certificate of Authority for local exchange service pursuant to SDCL 49-31-69.

Enclosed is a Revised Franchise Service Territory Map reflecting the new telephone service territory as a result of annexation of land by the City of Brookings (See Attachment 1). Also enclosed is a copy of the City of Brookings Resolution No. 22-091 dated November 22nd, 2022

All resolutions are executed by the Mayor of the City of Brookings and included as Attachment 2. The legal description of Resolutions No. 22-091 describes the areas we wish to include in our Amended Certificate of Authority. A full range of local exchange services will be provided which is identical to the exchange services provided to all residents of the City of Brookings.

City of Brookings Telephone, d/b/a, Swiftel Communications, is making this request pursuant to SDCL 49-31-69 through 73. We are further requesting that the Public Utilities Commission waive Rules 20:10:32:03 (1-8); (10-22); and (24).

We would further advise that in the area annexed by Resolutions No. 22-091 is undeveloped land and there are no customers being served by either Interstate Telecommunication Cooperative or Swiftel Communications.

The owner of the real estate that has been annexed to the City of Brookings by Resolution No. 22-091 is City Of Brookings, 525 Western Avenue, Brookings, SD 57006.

Also enclosed is a letter from Interstate Telecommunications Cooperative, Inc. concurring with the maps and resolutions included in this filing. See Attachment 3.

If there is anything further that you or the Commission should need regarding this matter, please let me know. I can be contacted at (605) 697-8205 or (605) 691-3219.

Sincerely,
