COMES NOW the Public Utilities Commission Staff (Staff), through its attorney, and hereby files this Motion to Dismiss GO MD USA LLC’s Petition for Designation as an Eligible Telecommunications Carrier for the Limited Purpose of Providing Lifeline Service to Qualifying Customers.

On March 20, 2023, the Public Utilities Commission (Commission) received a Petition for Designation as an Eligible Telecommunications Carrier for the Limited Purpose of Providing Lifeline Service to Qualifying Customers from GO MD USA LLC (GO MD). On March 21, 2023, South Dakota Telecommunications Association (SDTA) filed a Petition to Intervene, which was granted in the Commission’s April 18, 2023, Order Granting Intervention. On May 8, 2023, SDTA and GO MD filed a Stipulation Agreement.

On April 4, 2025, Staff issued its Second Set of Data Requests to GO MD and to date has not received a response to this request. GO MD has been non-responsive to multiple communications from Staff inquiring about the status of the Data Request responses and regarding GO MD’s intent to proceed with the filing.

WHEREFORE, this matter has been stale for a significant period of time, Staff requests the Commission dismiss and close the docket without prejudice.

Dated this 21st day of August, 2026.
