FREE MOBILE SERVICE

See if you qualify for the Lifeline
Program with Gen Mobile!

Apply Today

DISH Wireless LLC is authorized to provide Lifeline service under the Gen Mobile brand. The Lifeline Program ("Lifeline") is a government assistance program that provides discounted telephone services to eligible households funded by the Federal Universal Service Fund. A household means adults and children who are living together at the same address as one economic unit. An economic unit includes all adults (persons at least 18 years old unless emancipated) contributing to and sharing the household's income and expenses. Only one discount per eligible household is permitted and is nontransferable to another person. The discount is tied to a single, primary residential address. Any household that violates the one discount per household rule or knowingly or willingly provides false information to obtain the Lifeline discount will lose its discount or will be banned from Lifeline and may be prosecuted by the government. There are two ways to qualify for the Lifeline discount: Program-Based or Income-Based. Program-Based qualification requires someone in the household to be enrolled in a public assistance program such as Medicaid, SNAP, Supplemental Security Income (SSI), or other qualifying government programs. Income-Based qualification requires the household's total annual gross income is at or less 135% of the Federal Poverty Guidelines. The National Verifier administered by the Universal Service Administrative Company (USAC) will determine whether the household meets the eligibility requirements to participate in Lifeline. Many factors beyond Gen Mobile's control (such as network problems or congestion, signal strength, structures, weather, geography, etc.) may affect the customer's ability to make and receive calls on the customer's wireless device, the quality of those calls, and the speed of the customer's service. As a result, the customer's service, including calls or attempted calls to emergency services like 911, may be interrupted, may fail, or result in dropped or blocked connections, become unavailable, service speeds are slow, or call quality at times may be poor. Go to genmobile.com for Gen Mobile's terms & conditions, including the full restrictions for Lifeline, and wireless service plans.
