Re: North American Local, LLC; TC23-046

Public Utilities Commission:

North American Local, LLC (“North American Local”) filed a Petition for Reclassification in this docket on September 29, 2023. North American respectfully withdraws its Petition, given that over 18 months have passed since the Petition was filed with the Commission and the record would need to be refreshed for further consideration of its Petition.

Respectfully submitted,

*Gene DeJordy*
