I would like to thank all those who supported me in the recent Ward 1 City Council race

Thank you for your votes. Thank you for putting signs in your yards, even if they disappeared and we needed to replace them. For those of you who helped me financially, I am extremely honored to have had your support and will forever be grateful.  
Though we are disappointed with the results, I'm proud of the campaign we put forth. I love Rapid City and I loved serving the people of Rapid City. Maybe we will try to do it again someday.  
Sincerely,
